Eastern Technical Associates (ETA), in agreement with the Michigan Department of Environmental Quality, Air Quality Division, will hold a Visible Emissions Evaluation Field Certification and Classroom Lecture Program in two locations.

**Detroit Area – October 10-12, 2006** Field Certification will be at the Maybury State Park (Hickory Shelter area), south of Novi, MI, with classroom training at the Holiday Inn Livonia West (new location).

**Grand Rapids Area – October 17-19, 2006** Field Certification will be at the Deltaplex in Walker, MI, with classroom training at the University of Phoenix, Grand Rapids.

ETA will be sending announcements of the school to state and federal regulators, local air programs, industries and utilities. You may also check the information and maps on ETA's website at: <http://www.eta-is-opacity.com/>
